INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

To the Members of the Board of Commissioners
Pine Country Education Center District
Minden, Louisiana

We have compiled the accompanying component unit financial statements of Pine Country Education Center District, a component unit of the Webster Parish Police Jury, as of and for the year ended December 31, 2010, which collectively comprise the District's basic financial statements as listed in the table of contents. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

The management of Pine Country Education Center District is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist the management of Pine Country Education Center District in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Management has not presented the management's discussion and analysis information that the Governmental Accounting Standards Board has determined is required to supplement, although not required to be a part of, the basic financial statements.

The management's budgetary comparison information, on page 10, is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. The Schedule of Per Diem Paid to Board Members, Summary Schedule of Prior Year Findings, and Corrective Action Plan for Current Year Findings on pages 11-13 are presented for purposes of additional analysis and are not a required part of the financial statements. We have compiled the supplementary information from information that is the representation of management, without audit or review. Accordingly, we do not express an opinion or provide any assurance on the supplementary information.

A handwritten signature in cursive script, appearing to read "Jamieson, Wise & Martin".

Reconciliation of the Statement of Revenues, Expenditures, and
Changes in Fund Balance of the Governmental Fund to the
Statement of Activities

For the year ended December 31, 2010

Amounts reported for governmental activities in the Statement of Activities are different because:

Net Change in Fund Balance, Governmental Fund (Statement E)	\$ 3,053
Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays exceeded depreciation in the current period.	(67,128)
Principal payments on debt require the use of current financial resources; therefore, are shown as expenditures in governmental funds.	23,464
The issuance of long-term debt provides current financial resources that are reported as revenues in the governmental fund.	-
Interest payable on long-term debt does not require current financial resources; therefore, is not reported as an expense in governmental funds	4,753
Change in Net Assets of Governmental Activities (Statement B)	<u>\$ (35,858)</u>
